

# K C AREA CREDIT UNION COMMITTEE MEMBER APPLICATION

**PLEASE RETURN TO THE NOMINATING COMMITTEE BY MAY 1, 2018.**

Our members may be familiar with the credit union staff but few may know that we have two committees of volunteers that offer an invaluable service to our daily operations.

Each committee provides specific functions; and interested members should consider the level of commitment:

**Board of Directors:** This committee meets monthly; sets dividend and interest rates. The board implements new services and considers new products for the benefit of the membership. All credit union policies are drafted by this group.

**Supervisory Committee:** This committee regularly reviews office operations, periodically conducts random loan audits, over sees the annual audit of accounts.

Members interested in serving on a committee must include a short resume in the space provided below or attached on a separate page.
